

XXXIX Annual Conference
Italian Operational Research Society
Hotel Continental Terme, Ischia - Italy

OPTIMISATION AND LOGISTICS IN TRANSPORTATION AND COMMUNICATION NETWORKS

September 8th – 11th, 2008

Call for papers

DATE AND LOCATION

AIRO2008, the XXXIX Annual Conference of Italian Operational Research Society, will be held on September 8th-11th, 2008, at the Hotel Continental Terme, in Ischia, one of the wonderful islands in the Gulf of Naples, known and appreciated all around the world for its natural beauty and thermal water.

THEME

The theme is open, but contributions on Optimisation and Logistics on Transportation and Communication Networks will be appreciated.

SESSIONS

The Conference is organised into plenary and parallel sessions. Opportunities for software demonstrations are available. The Conference languages are Italian and English.

CALL FOR PAPERS

Researchers and practitioners working on the conference theme are invited to send an abstract of 300 words by April 15th, 2008. The abstract, written in a text format file without mathematical formulas, should contain: title, authors, affiliations (telephone, fax, e-mail), three keywords and a maximum of five references. Files should be sent via e-mail to:

airo2008@airo2008.unina.it

SELECTION OF PAPERS

The AIRO2008 Programme Committee will select papers to be presented at Conference and included in the Conference Proceedings.

SPECIAL ISSUE OF A JOURNAL

A special issue of an International Journal may be devoted to the papers presented at the Conference. Authors interested in this opportunity must submit their full paper by September 30th, 2008.
